From lighting, production scenery/backdrop, event staffing, venue and floral bookings, videography, photography, music, stage set up/ equipment, materials, stage flooring, programming/tickets/marketing, etc. there is a lot that is being included into our first recital plans. Please note that we genuinely appreciate all the help from our Project C families by making this all possible.

We look forward to everyone joining us in the recital! Recital is set for Saturday & Sunday June 4&5. Please understand that it is very important to our studio that you make an effort to commit to participating in our shows. We want to have a fabulous first year recital and having your dancer a part of the show means a lot to us!! More recital info to come- and also within our studio handbook.**
