## **EXPECTATIONS**

- **Full costume, hair, and makeup required.**
- All students should arrive, ready to perform, by 5:15, regardless of where they dance in the show.
- Please enter through the front doors and take a right down the hallway to find the dressing rooms. The back doors will be open as well.
- ALL Dancers (except Minis) are required to stay for the entire show to rehearse the finale dance and our 2022 Awards Ceremony which will hopefully be around 7:30. At the recital, Mini dancers will walk out with our high schoolers for a final wave/bow goodbye after the finale dance is completed by all other dancers.
- Please wear recital shirts over your final costume or with black pants for finale at dress rehearsal/recital. Dancers must have jazz or ballet shoes on. Tumblers may do finale barefoot or with CLEAN inside tennis shoes. We will have a professional floor laid down the morning of recital and outside shoes are not allowed on as we are renting. Backdrop and other stage equipment will not be set up until the morning of the show as well. Thank you!
