2022 Dress Rehearsal

DETAILS

Friday, May 3rd | 6:00PM Showtime, arrive no later than 5:30 hair & makeup ready. Creston High School Auditorium. **DRESSING ROOM DOORS OPEN AT 5PM**

EXPECTATIONS

- **Full costume, hair, and makeup required.**
- All students should arrive, ready to perform, between **5:15-5:30**, no later! **Regardless** of where they dance in the show.
- Please enter through the front doors and take a right down the hallway to find the dressing rooms.
- We recommend getting completely ready before you arrive & changing into your first costume in the dressing room after you arrive. We recommend bringing all costumes, shoes, accessories in the garment bag(s) given to your dancers & we ask that you write dancers name on garment bag in permanent marker (Tags labeled at dance photos were coming off).
- When you arrive, please go into the main entrance of the high school. Take a right down the music hallway & head to the dressing rooms (band/vocal rooms). There will be a check in table in the hallway, you must highlight your name & that you have arrived before heading into the dressing room (this helps take roll before we begin rehearsal). If you are late, you will potentially not be allowed on stage - please understand how important arriving on time is. There will be signs on the two dressing room doors this year. One room will be for Juniors, Petites, Competition Team (& just tumblers the same age - Level 3-6). The other room will be for Beginners, Minis, Tumblers levels 1-2).

- Dancers are asked to **STAY IN THEIR DRESSING ROOM AT ALL TIMES** – and are not allowed to go into the other dressing room FOR ANY REASON. Mini & Beginner dancers **MUST** have a parent with them at all times & when going to the restroom. This is so teachers can easily go to that room to find your dancer when lining up. If they are in the wrong room, they will miss lining up for routines.
- Boys – please still check in backstage on the list. We will have you put your things in the hallway, or in the side weight room if possible. You are the only ones allowed to sit with parents in the audience during rehearsal/recital but must come backstage 3-4 routines before your performance (boys tumblers head back during intermission). Use side auditorium doors. Boys may use backstage bathroom to change in. We apologize as there is not a huge space for boys to stay in as we must use both band and vocal rooms for our girl performers this year.
- During Rehearsal/Recital, All Girl dancers MUST stay in your dressing room at all times and are not allowed in the audience. Any fast changers (2 dances between routines or less) may pop in the room on the side of the stage to make those fast changes. Teachers will be lining up 3-4 classes at a time down the backstage hallways. Please stay in dressing rooms until a teacher comes to line classes up but help your dancers pay attention to show order so they know when they need to line up.
- Show order will be posted in dressing rooms. If you need to pop backstage for a quick change your parent must help bring that class's accessories/costume – please note it is not our responsibility to help dancers change, and our staff is busy with other tasks. Costumes and accessories shall not be left backstage.
- We are estimating that our dress rehearsal runs around 2.5 hours, but it depends if everything runs smoothly. We will try to get in and out as quickly as possible, but if a routine needs to run more than once due to spacing issues, they will.
- Please write dancers name on all costume tags and items to avoid mixing up in the dressing room. Dress Rehearsal will be ran in show order & stage lights will be on if necessary, but we are keeping audience lights on for rehearsal. During the show, audience lights will be off. Please do full hair and makeup for

dress rehearsal as a good practice for your dancer. We are hoping to not run too late but please understand that rehearsal may run a little longer if needed. Recital usually runs faster than rehearsal. We will be practicing our finale entrance and final bow as well at the end and will line up all dancers at the conclusion of our show.

- Dancers Recital shirt will either be picked up the last week of classes at the studio, or you will get your dancers recital shirt at the check in table when you arrive - please put on your recital t shirt over your last costume & or with black spandex/leggings to practice our finale routine!!!. This is also what you will wear for the finale at recital. We will rehearse our finale a few times lining up (Juniors, Petites, Competition Team, Beginners, & Minis).

If you are just in tumbling you will line up for the finale with your age group.

Level 1 - Mini Level 2 Beginner Level 3/4/5 Petite/Juniors Level 6 - Juniors

Minis will be walked on by Teen dancers/helpers/assistants. After finale practice Mini (preschool) dancers will be dismissed to go home. Beginner, Petite, Junior, Teen, Competition dancers will stay for a quick award ceremony to award end of the season accomplishments.

- Tickets are available to purchase now through May 1st at the studio for \$10. After May 1st and at rehearsal/recital, tickets will go up to \$12. There are different tickets per show.

- ALL Dancers are required to stay for the entire show to rehearse the finale. After we rehearse the finale, Mini Dancers & Level 1 tumblers may leave as it will be later in the evening, everyone else will stay for our **2024 End Of The Season Awards Ceremony** which will happen at the conclusion of dress rehearsal. Minis will receive their award during the final week of class. At the recital, Mini dancers will walk out with our high schoolers & assistants for a final wave/bow goodbye after the finale dance is completed by all other dancers.

- Please wear recital shirts over your final costume or with black pants/shorts for finale at dress rehearsal/recital. Dancers must have jazz, hip hop, or ballet shoes on. Tumblers may do finale barefoot. Backdrop and other stage equipment will not be set up until the morning of the show. After the shows are

over, parents are able to come on stage to take photos of their dancers in front of our backdrop.

REMINDERS

- **CHECK IN:** Please CHECK-IN by the dressing rooms once you arrive at the high school, there will be a table set up to highlight your name off the check in list. Enter through the high school front doors and take a right down the hallway to find the check-in table.
- **DRESS REHEARSAL:** Full costume, hair, & makeup will be required for DRESS REHEARSAL. This is a full run through of the recital.
- **STAY IN DRESSING ROOMS:** Girl Dancers are **NOT** allowed to sit with parents in the audience before/after they perform. Boys are the only ones allowed to but must head back 3-4 routines before they perform. Boy tumblers head back during intermission when we set down mats.
- **PARENTS: Dancers 7 years old & younger - MUST have a parent/guardian with them at all times in the dressing room.** This is to make sure they are ready, prepared and behaving well as we do not have staff be responsible for your dancer. Dancers older than 7 must only be left if they are able to dress and prepare themselves. Please understand that it is not our staff's responsibility to get dancers ready. If your dancer isn't ready when we line them up we will not wait on them, and they will miss performing. Please make sure your younger use the restrooms before the show and during times when they are not on stage soon. This allows us to find everyone when needing to line routines up. Parents are in charge of changing their own dancer in the dressing room.
- If you want to buddy up with another parent or two & rotate watching the dancers in dressing rooms, you may do so. We do not have enough staff to be responsible for every dancer, & must keep dancers in designated dressing rooms between routines, so no one gets lost!
- Parents may head to the audience when it's their dancers turn to be on stage - but please sit in a seat close to the aisle or stand along the aisle wall or back of the auditorium to watch your child perform if you plan to run back & forth

between routines, this way we distract the audience as little as possible. There will be backstage assistants helping students get lined up and get on stage. We kindly ask that parents refrain from being backstage during the show. Please note that your child is your responsibility and we do not have extra staff on hand to help change costumes, if your dancer is not ready when called to head backstage, they will miss their performance. Plan on dressing your dancer between routines.

- **HAIR:** Female dancers will wear their hair pulled back in either a dance bun or ponytail, preferably a low bun or ponytail with hair parted as you choose. Dancers may also wear different variations of updo styles, braids into their ponytails/buns, and ponytails may be straight or curled. Please still keep hair clean and slicked back - and secured tightly with bobby pins, hairspray, hair ties, etc. NO HAIR DOWN. Hair pieces & all accessories that come with costumes are mandatory for mini & beginner dancers. Encouraged but optional for petites & juniors as they have lots of costume changes.
- **MAKEUP:** Female dancers will wear eye makeup (neutral shades), black mascara, false lashes (optional), pink blush, foundation, and a cranberry/medium pink shade of lipstick. For Mini dancers, light makeup is recommended and can include natural eyeshadow and cranberry/medium pink lipstick or lip gloss.
- **EARRINGS:** Female dancers are asked to wear small crystal silver stud earrings if they wish. No other jewelry allowed.
- **UNDERGARMENTS:** All dancers are required to wear the tights that the studio provided. Please do not wear another pair you bought outside of the studio - we must have everyone matching. If you need another pair, lost or ripped them since pictures, we will have some backstage just in case. For tumbling routines, tights need to be nicely rolled up to their ankles. We ask older dancers to wear a nude dance bra with clear straps with your costumes. **We highly request that dancers refrain from wearing underwear under their tights.**
- **SHOES:** Dancers must wear required shoes at all times on stage. Tumblers will be barefoot. We will not have extra shoes if anyone loses or forgets shoes. Please write names inside shoes!

- **SNACKS:** Food is allowed in dressing rooms, but NO BIG MEALS – clean, easy to clean up snacks ONLY!!! If your dancer makes a mess, you are required to clean it up!! Please throw away all trash/crumbs. WATER ONLY – Please do not bring in beverages other than water, we want to keep dressing space clean & avoid spills/stains. If you spill/stain, you will be held responsible which is why we ask for nothing but water to drink.
- **PLEASE NO SNACKS IN DRESSING ROOMS THAT CONTAIN NUTS – WE WANT TO AVOID HAVING ISSUES WITH THOSE WHO MAY HAVE FOOD ALLERGIES!**
